EVERY GIRL COUNTS (EGC)

A program for local middle school girls to learn more about themselves, help in building community awareness, discuss coming of age issues, prepare for high school and help girls stay focused on a positive path for the rest of their lives. This successful program has been running for more than 10 years in our community and averages 45 girls annually!

SIROW hosts multiple after school meetings throughout the school year.

DREAM IT BE IT

Dream It, Be It: Career Support for Girls gives high school girls the tools they need to achieve their education and career goals, empowering them to break cycles of poverty, violence, and abuse. By reaching girls while they are still young, we not only can help them stay healthy and safe in the short term, but we can reduce the number of women in crisis in the future. Putting them on a clear path will help them realize their dreams.

An exciting career orientated program supporting girls of Rim of the World High School
